Rafael
Bravo Contreras

Software and Web Developer

Profile

Started programming by my own after taking some courses related to IT, office suites, databases, IoT and others.
Then began studies in IOC on multi platform development and right after graduation, having done some practice as trainee, continued with studies on web development.

Currently improving my skills while searching for professional opportunities to increase my knowledge and expertise in programming.

Location

Igualada, Barcelona, Spain

Language

Spanish, Catalan, English
